

At Herbal Hotel

Descriere At Herbal Hotel 4*

Guided by the unique natural values of the island, we develop similar philosophy in design, branding, service areas and hotel functions, with the touch of authentic herbs & plants of Protaras Island Coast. We will use herbs & plants aesthetics in graphics, the beauty of their natural structure in the interior, and their useful qualities in the cuisine of the restaurant, specifically developed unique healthy cocktail menu, and innovative spa rituals.

Our guests will have an opportunity to buy high-quality healthy herbs as souvenirs and take unforgettable memories back home with them.
