Dreaming View Suites are perfect for couples that wish to enjoy romance with a glass of delicious local wine in a breathtaking setting. Live the magic of Santorini with the perfect, romantic view from Imerovigli! Imerovigli is a beautiful settlement in Santorini, wonderfully located at the edge of the island with a panoramic view to the Aegean Sea. Its name is directly related to its privileged location, as it used to be an observatory for the locals of Santorini. From the highest spot of the island, they could see if danger approached and take measures, so as to defend themselves. Nowadays, Imerovigli is regarded as the perfect place to enjoy the world-renowned sunset of Santorini. The bright, warm colors of the sunset surround you and provide an exceptional experience to be remembered.
